APPLICATION

1. Parties:

1.1. Applicant herein is Blake Production Company, Inc., whose address for the purposes hereof is 1601 Northwest Expressway, Suite 777, Oklahoma City, OK 73118. The landman for the Applicant is Charles Woner, Telephone: (405) 286-9800.

1.2. Applicant is the owner of the right to drill a well into and produce hydrocarbons from the Mississippi common source of supply underlying the 640-acre drilling and spacing unit comprised of Section 33, Township 23 North, Range 16 West of the IM, Major County, Oklahoma.

1.3. Exhibit "A" lists the name and last-known address of each person or entity being made a respondent in this cause.

2. Allegations of Fact:

2.1. By Order No. 138175, dated February 8, 1978, as corrected by Order No. 138851, dated March 8, 1978, the Commission formed a 640-acre drilling and spacing unit comprised of Section 33, Township 23 North, Range 16 West of the IM, Major County, Oklahoma, for the Mississippi common source of supply.

2.2. Applicant has conducted a diligent and meaningful search of the local county assessor's records, county treasurer's records, county deed records regarding the property involved for return addresses on recorded instruments, county probate records, city and county telephone directories and other sources of such information to locate each respondent and has made a bona fide effort to reach an agreement as to the development of said unit with each respondent located by such search.

2.3. Applicant has drilled or proposes to drill a well on said drilling and spacing unit to test the common source of supply set out above. The avoiding of drilling of unnecessary wells, the prevention of waste, and the protection of correlative rights require that the Commission order all owners to pool their interests and to drill and develop the drilling and spacing unit and common source of supply as a unit.

Blake Production Company, Inc.

2.4. The Applicant or some other party recommended by Applicant should be designated as operator under the order to be entered in this cause of the common source of supply in the drilling and spacing unit involved herein, including the proposed initial well and any subsequent wells under Applicant's plan of development of such unit.

3. Legal Authority: The relief sought by this application is authorized by Tit. 52, Okla. Stat., Section 87.1.

4. Relief Sought: Applicant requests the Corporation Commission of Oklahoma enter an order as follows:

(i) Pooling the interests of the oil and gas owners in the common source of supply in the drilling and spacing unit described in paragraph 2.1 above, and adjudicating the rights and equities with respect thereto, on the basis of such unit, all to be upon such terms and conditions as are just and reasonable and which will afford such owners the opportunity to recover or receive without unnecessary expense and their just and fair share of all hydrocarbon substances produced from such unit, making definite provisions for the payment of all actual costs and expenses of developing such unit under the plan of development proposed by Applicant, including all costs and other expenses of the proposed initial well under such plan of development, as described in paragraph 2.3 above, and any subsequent well or wells in the development of the units covered hereby; and

(ii) Designating the Applicant or some other party recommended by the Applicant as operator under the order to be entered in this cause of the common source of supply in the drilling and spacing unit involved herein, including the initial well and any subsequent wells under Applicant's proposed plan of development of such unit. Applicant may request up to one year from the date of the order to enter in this cause, within which to commence the initial well.

DATED this 24th day of February, 2023.

Cause CD No. 2022-

Pooling - Notice

Range 16 West of the IM, Major County, Oklahoma, for the Mississippi common source of supply with respect to the development of such common source of supply in such unit. The interests of the oil and gas owners involved herein and the rights and equities in respect thereto are sought here to be pooled and adjudicated pursuant to Tit. 52, Okla. Stat., Section 87.1 within and on the basis of the drilling and spacing unit covered hereby, and not limited to a single wellbore. The Applicant has proposed the development of the common source of supply in the drilling and spacing unit involved herein under a plan of development and has proposed to commence such plan of development of such unit by an initial well in the lands covered hereby, and that the Applicant has been unable to reach an agreement with the owners of drilling rights named as respondents herein with respect to such proposed plan of development of the separate common sources of supply in the drilling and spacing unit covered hereby.

NOTICE IS FURTHER GIVEN that the application in this cause requests that the Applicant or some other party recommended by Applicant be designated as operator under the order to be entered in this cause of the common source supply in the drilling and spacing units involved herein, including the proposed initial well and any subsequent wells under Applicant's proposed plan of development of such unit. Applicant may request up to one year for the date of the order to enter in this cause, within which to commence the initial well.

NOTICE IS FURTHER GIVEN that this cause will be referred to an Administrative Law Judge for hearing, taking of evidence and reporting to the Corporation Commission.

NOTICE IS FURTHER GIVEN that this cause will be heard before an Administrative Law Judge on the Merits Docket at the Corporation Commission, First Floor, Jim Thorpe Building, Oklahoma City, Oklahoma, at 8:30 a.m., on the 21st day of February 2023, and that this notice will be published as required by law and the rules of the Commission.

Due to the COVID-19 pandemic, access to the Jim Thorpe Building is restricted. The referenced hearing may be conducted via teleconference or videoconference. Before coming to the building for this hearing, please visit the Oklahoma Corporation Commission website at www.occeweb.com to determine the status of building access. Instructions for participating via teleconference or videoconference are available on the Commission's website.

NOTICE IS FURTHER GIVEN that the Applicant and interested parties may present testimony by telephone. The cost of telephonic communication shall be paid by the person or persons requesting its use. An interested party who wishes to participate by telephone shall contact the Applicant's attorney, prior to the hearing date, and provide his or her name and phone number.
