Oklahoma City, OK 73152

RE: Form 1073MW
M. Craig Deisenroth Oil & Gas, LLC operator #24866

Dear Sir or Madam:

M. Craig Deisenroth Oil & Gas, LLC is submitting Form 1073MW for multiple wells being transferred from M. Craig Deisenroth, operator #12655 to M. Craig Deisenroth Oil & Gas, LLC, operator #24866. Also enclosed is our check for the \$250.00 fee.

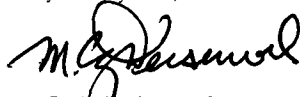

Most of the wells are listed under M. Craig Deisenroth operator #12655. A number of other wells are listed under old operator Otha H. Grimes or are listed on the OCC website as unassigned. The Otha H. Grimes wells were purchased by M. Craig Deisenroth and related entities in 1984. At that time, Form 1073 did not exist. We did not file amended Form 1002A to change operator so this meant that many of the acquired wells continued to be shown with Otha Grimes as operator. Some of these acquired wells were changed over by the OCC to M. Craig Deisenroth. Otha Grimes died in the late 1980's so it is not possible to secure any operator change authorization changes from him. We have noted in the comments column of our well listings where M. Craig Deisenroth is not currently shown on OCC records as the operator.

We have enclosed oil and gas lease assignments which track ownership of various old Otha Grimes leases to M. Craig Deisenroth Oil & Gas, LLC. In 1984, Mr. Grimes sold his leases to Malcolm Deisenroth, Jr., M. Craig Deisenroth and MOCK Partnership. In 2006, Malcolm Deisenroth, Jr. assigned his interest to the Malcolm Deisenroth, Jr. Trust. In 2015, the Malcolm Deisenroth, Jr. Trust, M. Craig Deisenroth and MOCK Partnership assigned their interests to M. Craig Deisenroth Oil & Gas, LLC which is the current owner and the entity submitting the Form 1073MW.

With regard to the Palmer 2-11 well shown on Form 1073MW, OCC records show this well having Eland Energy as its operator. The Palmer 2-11 well was plugged January 24, 1992 (form 1003 enclosed). M. Craig Deisenroth secured new oil and gas leases in 2011 and re-entered and completed the Palmer 2-11 effective November 5, 2014 (new oil and gas lease and form 1002A enclosed).

Please contact the undersigned at 918-742-4769 or email at craigd9561@aol.com should you have any questions or require additional information.

Very truly yours,

M. Craig Deisenroth

To: Craig Deisenroth <craigd9561@aol.com>
Subject: Well Transfer

To Whom It May Concern,

We have approved the 1073mw from Craig Deisenroth 12655 to M Craig Deisenroth Oil & Gas LLC 24866. A total of 48 wells were transferred.

We were unable to transfer the (OTC UNASSIGNED, ORPHAN WELLS) on the same transfer. You will need to put them on a separate 1073mw and leave the current operator box blank , complete the new operator box with your info, and sign and notarize the bottom statement. Since Grimes is a closed operator you may place these wells on the same transfer list. If you have any questions please let me know.

Sincerely,
Michaela Stephens
